IMPORTANT CHANGE IN LIBRARY PUBLICATIONS.

With the issue for May, 1908, the publication of the Monthly Bulletin ceases. Of this series, which began in January, 1896, twelve complete volumes, and five monthly numbers of volume 13 have been published. Henceforth there will be issued every Saturday, and for free distribution, a list, of which this is the first, of brief titles of books made available during each week to readers at the Central Library and the Branch Libraries.

There will also be issued a Bulletin, beginning not earlier than July 1 of this year, and appearing henceforth quarterly, which will supersede both the Monthly Bulletins and the Annual Lists. This quarterly publication will contain fuller titles than the weekly lists, and will include a selection of titles of older books, recently added. At the conclusion of each year an index to the four quarterly issues will be furnished.

No. 2. Week ending May 2, 1908

NEW BOOKS

IMPORTANT CHANGE IN LIBRARY PUBLICATIONS.

With the issue for May, 1908, the publication of the Monthly Bulletin ceases. Of this series, which began in January, 1896, twelve complete volumes, and five monthly numbers of volume 13 have been published. Henceforth there will be issued every Saturday, and for free distribution, a list, of which this is the first, of brief titles of books made available during each week to readers at the Central Library and the Branch Libraries.

There will also be issued a Bulletin, beginning not earlier than July 1 of this year, and appearing henceforth quarterly, which will supersede both the Monthly Bulletins and the Annual Lists. This quarterly publication will contain fuller titles than the weekly lists, and will include a selection of titles of older books, recently added. At the conclusion of each year an index to the four quarterly issues will be furnished.

MUSIC CATALOGUE.

Volume One, Part One of the Catalogue of the Allen A. Brown Collection of Music, containing 144 pages, large quarto size (covering the alphabet from A to Boo), has just been published by the Library, and is for sale at one dollar, and by mail at one dollar and thirteen cents.

In 1894 Mr. Brown gave to this Library his extensive Collection of Music, and since then has constantly added to his original gift. The Library has now begun the publication of such a thorough and analytical catalogue of this Collection as shall bring out the scope and character of its contents.

This catalogue is arranged in dictionary form and entry is made, not only under the names of composers and authors, but under title, subject and musical form, as well.
